Allergies & Intolerances: Please note our chefs prepare a variety of products in our kitchens, including dishes that may contain milk, eggs, wheat, soybean, peanuts, sesame, nuts, fish & shellfish. When placing your order please inform us of any food allergies so that we can prepare this food separately.

COVID-19

We are pleased to announce that we are fully operational during these very challenging times.

We have had to make some changes to the way we operate in line with the government guidelines. These will remain in place until it is safe to revert to our old way of providing food in the form of buffets and sharing platters etc.

Each meal is delivered in individual boxes making it safer for the customer.

Our delivery driver will place the delivery in an agreed designated area and will wear a mask and gloves. Rest assured your safety and the safety of our staff remains our priority during this difficult time, further information about our COVID-19 control measures and food safety can be found on our website.
